**WATER PIK, INC. INTRODUCES NEW SELF-STUDY COURSE:
COACHING PATIENTS TO OPTIMAL INTERDENTAL HEALTH**

Fort Collins, CO (February 22, 2010) Water Pik, Inc. announces the addition of a new complimentary continuing education course – Coaching Your Patients to Optimal Interdental Health. Many patients don't like to floss. This course will cover both effective alternatives to dental floss as well as the skill set needed to move from an advising role to a coaching model for eliciting effective behavior changes. The course is free of charge and worth three continuing education credits. Simply go to www.professional.waterpik.com.

To stay current with all the latest information on Waterpik® research, products, promotion, and continuing education courses, sign up for our monthly e-newsletter at <http://visitor.constantcontact.com/email.jsp?m=1101854605707&p=oi>

Academy of General Dentistry Approved PACE Program Provider FAGD/MAGD Credit. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement. The current term of approval extends from 06/01/2006-05/31/2010.
